

For Authors

Congratulations on your new book! Thank you so much for thinking of The Book Bar as a location in which to place your book. Please keep in mind that we evaluate numerous books and field multiple event requests regularly. Here are the guidelines we use when evaluating all books:

Stocking Requirements:

- Its content must be pertinent to our community and be an item our customers would be interested in purchasing
- It must be newly published
- It must be packaged properly. We look at price, writing & editing quality, cover design, binding, and the general quality of packaging. No spiral binding or blank spines.

Purchasing terms, if we decide to go forward:

- Sourcing: If your book's publisher is someone we do not regularly work with, we may choose to take the book on consignment.
- If the book is available at Ingram Book Co, it must be offered at Regular Discount, Returnable, and in stock at the PA or TN warehouses with reasonable inventory on hand.
- **Consignment terms (non-negotiable):** 60/40 split, no shipping/handling, and fully returnable. Consignment payments are made monthly and we will contact you if we need to replenish our stock.
- We do not stock or hold events for books published through Amazon or any of their publishing units, including CreateSpace. We highly recommend [IngramSpark](#), an Indie-friendly alternative to CreateSpace and other predatory book "publishers."

- Please note that due to the number of local authors who have contacted us, and our limited space, we cannot guarantee if, or when your book will be selected. Once selected for display, you will not be eligible for future display until we have gone through all books that have been approved.

If you feel your book fits these requirements:

Please complete the [form here](#). It's important we receive the request via this link, and can evaluate the request on our own schedule. Thanks for understanding that we do not have the bandwidth to evaluate books via phone calls or drop-in visits. Unsolicited samples that are dropped off or mailed to us will be recycled.
