

# For Events:

**Please complete the [form here](#).** This form is for events such as book club meet ups, book signings, and private event space.

-Please note that our calendar is booked at least four weeks in advance, and it is unusual for us to host an event for a book that was published more than six months prior to the event date.

-Book clubs requesting to use the space are asked to purchase your book club read through The Book Bar for use of the space.

-Thank you for accommodating these guidelines! Due to the volume of requests, we find it necessary to be upfront about all potential sticking points.
